**AFFIDAVIT OF R. D. ODOM**

STATE OF GEORGIA

COUNTY OF FULTON

R. D. Odom, being duly sworn, states as follows:

1. I am President, Network Services for BellSouth Telecommunications, Inc. (f/k/a South Central Bell Telephone Company and Southern Bell Telephone and Telegraph Company). In that capacity, I have principal responsibility for BellSouth Telecommunications, Inc.'s installation and maintenance operations.
2. I make this Affidavit in accordance with the Commission's Memorandum, Opinion and Order released in this docket on December 22, 1988.
3. Upon my knowledge, information, and belief, during the twelve (12) month period ending December 31, 2003, BellSouth Telecommunications, Inc. (BST) has followed the provisioning procedures described in BellSouth's ONA Plan, which the Commission approved in this proceeding and which were designed to preclude systematic discrimination in the installation, maintenance, and quality of network services provided to BST's own enhanced service operations and to unaffiliated enhanced service operations. In following these procedures, BST has not engaged in systematic discrimination in the installation, maintenance, or quality of network services provided to its own or nonaffiliated enhanced service operations.
4. Upon my knowledge, information, and belief, the installation and maintenance reports filed by BST for calendar year 2003 in compliance with the Commission's requirements accurately reflect the nondiscriminatory results achieved by BST in following such provisioning procedures.
